OBJECTIVE

As a final-year Computer Science and Engineering student, I am seeking an internship or entry-level opportunity to apply my skills in software development, Java, and data structures. I aim to contribute to impactful projects while gaining hands-on experience in a dynamic tech environment and enhancing my problem-solving and development abilities.

EDUCATION

Bachelor of Computer Science and Engineering, G.H.Raisoni Institute of Engineering and Technology, Nagpur CGPA: 8.02	2022-present
HSC in General Science, SFS College, Nagpur Percentage: 62.83	2020-2022
SSC, Somalwar High School, Ramdaspath, Nagpur Percentage: 87.40	2019-2020

SKILLS

Technical Skills	Java, Data Structures and Algorithm, HTML5, CSS3, JavaScript, React.js, SQL, MongoDB
Soft Skills	Critical Thinking, Adaptability, Teamwork, Communication Skills
Tools and Technology	MS Office, PowerPoint

PROJECTS

Personal Portfolio Website

- Created a personal portfolio website using HTML, CSS, JavaScript and React.js to showcase my skills, projects, and experiences in a professional and interactive manner.
- Website features a responsive design, interactive elements, and a clean user interface.

Bite Runner – Food Delivery Website

- Developed a responsive and user-friendly food delivery website with features like menu browsing, order placement, and real-time delivery tracking
- Built using HTML, CSS, JavaScript, and React.js, showcasing front-end development skills, modern UI design, and component-based architecture

EXTRA-CURRICULAR ACTIVITIES

- Proficient in solving the Rubik's Cube, showcasing strong analytical thinking, problem-solving skills, and spatial awareness.
- Actively participates in cubing challenges and communities, continually improving speed and technique while fostering patience, focus, and mental agility.

CERTIFICATION

- TCS iON Career Edge – Young Professional**
Tata Consultancy Services | Jun 2025
